Sri D. VENKATESH.—With regard to answer (*b*), will the Government prevail upon private owners to submit draft standing orders ?

Sri A. G. RAMACHANDRA RAO.—We will press on them to do so.

Sri K. LAKKAPPA.—I just want to know why there is inordinate delay in certifying standing orders although they have submitted draft copies to the certifying officer ?

Sri A. G. RAMACHANDRA RAO.—The main difficulty regarding finalisation of standing orders is that both the management and the employees should agree, and when there is a difference of opinion, it has got to be consulted and negotiated. The process is going on.

Sri K. LAKKAPPA.—Are you aware that some draft standing orders sent to the Office dates back to 16th October 1952 ?

Sri A. G. RAMACHANDRA RAO.—There are some cases of that kind.

Sri D. VENKATESH.—I do not put question No. 104.

Munsiff-Magistrate's Court, Bhadravati (Accommodation).

Q.—84. **Sri B. MADHAVACHAR** (Bhadravati).—

Will the Government be pleased to state :—

(*a*) whether they are aware that the Munsiff-Magistrate's Court of Bhadravati is located in a very unsafe locality ;

(*b*) whether they will provide a decent building during the current year ?

A.—**Sri A. G. RAMACHANDRA RAO** (Minister for Law and Education).—

(*a*) The present building has been considered to be unsatisfactory.

(*b*) The question has been considered by the High Court. Necessary plans for the construction of a new building have been forwarded by the High Court to the Public Works Department for necessary action.

Sri B. MADHAVACHAR.—Is the estimate for the Munsiff-Magistrate's Court of Bhadravati ready ?
